in jesus of arabia the reverend canon andrew thompson introduces an unfamiliar jesus jesus in the context of his home in the middle east whether readers believe jesus to be a prophet or the messiah thompson enhances our understanding of his work and character by looking at his social context as a man and middle easterner jesus s teachings take on new meaning as thompson explores themes including family in arabia gender roles in the region food culture and more jesus of arabia looks at the bridges between islam and christianity through the figure of jesus and how the two communities may reflect each other despite their differences thompson draws on his experience as a priest in the anglican church and his many years living in the middle east to analyze the often conflicting roles and loyalties concerning family culture and god a timely and incisive work jesus of arabia invites us to consider contemporary views of the middle east and how a figure like jesus might be received today

staggering skylines and boastful architecture make dubai famous this book traces them back to a twentieth century plan for survival in 1959 experts agreed that if dubai was to become something

more than an unruly port a plan was needed specifically a town plan was prescribed to fortify the city from obscurity and disorder with the proverbial handshake dubai s ruler hired british architect john harris to design dubai s strategy for capturing the world s attention and then its investments showpiece city recounts the story of how harris and other hired professionals planned dubai s spectacular transformation through the 1970s drawing on exclusive interviews private archives dog eared photographs and previously overlooked government documents todd reisz reveals the braggadocio and persistence that sold dubai as a profitable business plan architecture made that plan something to behold reisz highlights initial architectural achievements including the city s first hospital national bank and skyscraper designed as showpieces to proclaim dubai s place on the world stage reisz explores the overlooked history of a skyline that did not simply rise from the sands in the city s earliest modern architecture he finds the foundations of an urban survival strategy of debt wielding brinkmanship and constant pitch making dubai became a testing ground for the global city and prefigured how urbanization now happens everywhere

the book highlights the overall situation arising from the aggression and its economic social and humanitarian manifestations and the violence of the yemeni man through the method of monitoring analysis characterization and evaluation of the long months of aggression against yemen it was the culmination of excessive killing massive destruction and harm in order to stifle and silence the voice of a free and patriarchal people who wanted to confiscate their right to a decent life and to take ownership his order the book consists of 445 pages of glossy paper and includes four sections where the first section contains analytical articles during the aggression and this section distributed in three chapters absorbed political and humanitarian topics about the city of aden since the beginning of the aggression on 25 3 2017 passing through the conditions and suffering of citizens in aden the second chapter dealt with a broad title about the yemeni political reality in light of the aggression and the emergence of the yemeni people in a solid and transcendent position on painful invasive surgeries caused by the aggression and its collaborators from the yemeni agents and mercenaries the meeting carried political topics on the search for a peaceful political solution to the yemeni issue among the enemy brothers in geneva switzerland kuwait and oman the second section which came under the title of the university of aden in the time of aggression has varied topics where the first chapter dealt with the 45th anniversary of the founding of the university and coincided with the year of aggression in 2015 in addition to highlighting the most famous celebrities of the founders and developers at home and abroad it also focused on showing and highlighting the national role in its activities and scientific academic and national tasks aden university for the first time in its history and the history of the yemeni universities obtained a high scientific certificate issued by the british academic foundation qs for the global classification of the best arab and international universities in 2015 with telegrams that arrived to the university from arab and foreign universities as well as telegrams congratulations received from academic and legal personalities chapter iii included a glimpse of the lamentations of personalities written during the time of aggression and divided into lamentations of national public figures and lamentations of national academic figures the inclusion of part iv television and press interviews conducted by a number of local and arab newspapers number with professor ben habtoor which talked about the priorities of the government in light of the continued aggression and siege and the position of the national salvation government from a number of local and international 0 issues at the end of the book was shown and highlight images for the

examples of crimes and massacres committed against our yemeni people and models of images of the brutal destruction of the capabilities of the people built for decades of construction and reconstruction yemen in the face of the storm of storm v2
