from show boat 1936 to the sound of music 1965 and from grease 1978 to chicago 2002 many of the most beloved film musicals in hollywood history originated as broadway shows and in the three years since the original publication of the chapters in this volume as the oxford handbook of musical theatre screen adaptations 2019 the phenomenon has persisted with new adaptations such as cats in the heights tick tick boom dear evan hansen and spielberg s remake of west side story yet in general the number of screen adaptations of broadway musicals and operettas is far greater than the number that have met with success especially both critical and commercial success i e good reviews and a profit at the box office this is all the more surprising since hollywood tended almost if not quite exclusively to buy the rights to musicals that had been successful on the stage as a means of guaranteeing a profitable outcome after all musicals that had already enjoyed

long runs and nationwide productions on the stage ought to have a readymade audience one might also think that because the authors had puzzled over the individual challenges posed by such properties in their stage incarnations it ought to be easier to turn them into strong film musicals but for every west side story there were several finian s rainbows man of la manchas and carousels movies that simply did not do justice to the enchanted evenings these works provided in their stage incarnations

man with a load of mischief was originally presented off broadway in 1966 receiving rave reviews and garnering such comments as a solid hit and perfectly charming new york times remarkably appealing new york post and sprightly and ingratiating ny daily news since then this delightful musical has become a classic seen in many productions throughout the united states and countries across the world the six character show has seen four revivals in new york city record world described the show in this encapsulation set in a regency england highway inn it scrambles with surprising little condescension the affairs of a gentleman who isn t a gentleman a lackey who isn t a lackey a lady who isn t a lady and a maid who isn t a maiden with grand comic style but the show s real strength happily in this musically stultifying integrated age lies in its tunes if anyone would fault the songs for not being integrated it is because they stand out from the text as a good song will and can be recalled after the last bow unfortunately the published script and piano vocal score had not been available for purchase until their recent publication 2011 this script represents the complete musical containing all the dialog and lyrics with notes by the show s creators ben tarver and john clifton
